

## PRAYER REQUESTS

---

- Update on the Schmidt family, please continue to pray for God to intervene and fully restore consciousness and brain function to Chanson; for Erin and Steve's wisdom as they prepare for Chanson's long-term care; and for their peace and unity in the surrendering of their wills to the Lord.
- Update on Ai, the breast cancer patient – Her tumor reduced significantly, and most likely she may have the surgery to remove the tumor after 4 more cycles of chemo. Pray that the next 4 chemo (with different medicine) will be effective, and the side effect is bearable.
- Update on Xia, the lung cancer patient – Xia, after the second immuno and chemo treatment, her side effect has been quite severe. Pray for God's intervention to give Xia strength to cope with it.
- Keep Susan Lee and Hua Mok in prayer as they recover from surgery.
