

PRAYER REQUESTS

- Pray for the unity and peace of Seraph as we seek God's direction in the possible merger with WEFC.
- Update on Kim Mok – Praise the Lord for a successful operation. Pray for a speedy recovery.
- Update on Mrs. Lim – Keep Chris' mom in prayer as she continues with chemotherapy.
- Update on Ai, the breast cancer patient – Give thanks to the Lord! Ai met with her oncologist on Jun 13, and they reported that everything looks good! A follow up will be held in 6 months to monitor her symptoms. Pray for continued strength and healing.
- Update on Xia, the lung cancer patient – Praise the Lord for keeping the cancer in Xia's body under control (not spreading) through immunotherapy. Pray for God to alleviate Xia from her seasonal allergy, which has been congesting her nose, making it difficult for her to breath.
- Keep Mrs. Susan Lee in prayer, for the Lord to restore her health and strengthen her immune system.
- Pray for the safe travel of Bessie (as she visits her sisters in the States) and the Layne family (as they journey to BC and outside of Canada with their relatives).
