

Managing COVID-19 at Seraph EFC

- 1) The Church is a place of worship, prayer and refuge.
- 2) Unless there is a community-based infection and gathering of over a certain number of participants is prohibited by a new Manitoba Public Health Order, Sunday services at Seraph will proceed at the regular time in the chapel in the new wing of WEFC.
- 3) Wearing of face masks will be mandatory for all attendees. If you do not have a face mask, one will be provided to you.
- 4) Servers (Worship team, Scripture reader, Room Set-up, Usher, Greeter, Projection, Audio) who cannot participate on any given Sundays, please kindly inform Pastor Nathan. Sunday School teachers who cannot participate on any given Sunday, please kindly inform Jennifer prior to Sunday.
- 5) All attendees are reminded to self-monitor prior to coming to church or fellowship gatherings.
- 6) Microphones, tech equipment will be wiped down with 70% alcohol after use.
- 7) Hand sanitizers are now standard at all entrances, including entrance at the chapel. Please use these whenever needed.
- 8) Sunday School for children has resumed. During classes, masks remain mandatory. Physical distancing is encouraged. No treats / snacks will be served unless individually packaged.
- 9) For communion, recipients of both the bread and cup will go by sections/rows to walk up to the assistants while maintaining physical distancing.
- 10) Snack time. There will be no snack time at church until further notice.
- 11) Fellowship gatherings are happening on alternative Sundays at church between 3pm -5pm.
- 12) If you have not been vaccinated, we strongly recommended that you do that soon. This is to protect all the children and the vulnerable at church.
- 13) If you have returned from international travel by air or by land, please download the ArriveCAN app AND adhere to existing and evolving Public Health guidelines, monitoring yourselves for symptoms suggestive of respiratory infection. Symptoms are listed as follows: fever, cough, runny nose, sore throat, weakness, headache, difficulty breathing. Please refer to the Public Health Agency of Canada's [website](#) for the latest updates.
- 14) If any of the symptoms applies to you, please contact [Health Links/Info Sante](#) at **204-788-8200** or toll-free **1-888-315-9257** to determine if testing for COVID-19 should be considered. In cases where testing is not recommended, you should self-isolate until you are well. You will need to inform everyone living with you at your location to self-isolate and have active daily monitoring. Only active cases will be tested by the Health Authorities.
