

Seraph Whatsapp Group:

About the group:

Good morning everyone and thanks for joining! We're excited to read the Bible with y'all this year.

This group will be used to send reminders related to the reading plan, as well as other church community announcements.

The objective of this group is to help the community of Seraph connect with one another with the grace and truth of Jesus.

As we go through this Bible reading plan, we also have the opportunity to encourage, listen, and learn from one another regularly as we "let the word of Christ dwell in us richly" (Col 3:16-17).

Feel free to share prayer requests, struggles, joys or reflections on the readings!

For those not comfortable sharing, don't feel obligated to post, we're just glad to have you as part of the group!

How to silence notifications from this group:

1. Open WhatsApp
2. Open Seraph group chat.
3. Tap the 3 buttons in the top right corner.
4. Select "Mute notifications" and select for how long you would like to mute the notifications for.
5. Check "Show notifications".
6. Tap "OK".

Bible Reading Plan ways to track your progress:
